

REMARKS

Very thanks for Examination's suggestion and thanks for finding some citations about the present invention, thereby, the applicant may know more information about the invention. This case has been carefully reviewed and analyzed in view of the office action.

Indeed the citations disclose some features of the present invention, and the applicant agrees with these viewpoints, however applicant discovers that some features of the present invention are not wholly disclosed by the citations, which are claimed in the original specifications and especially drawings.

Since in the office action, claims 2 and 3 are allowable, we have cancel claims 1 and 4, and thus it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested:

Respectfully submitted.
